And

The Southern Power Distribution Company of A.P. Limited, rep. by its Superintending Engineer (Operations), A.P.S.P.D.C.L., Vijayawada, Krishna District and 3 others .. Respondents

ORDER:

None appeared for the writ petitioners. But, they had the benefit of interim direction of this Court in W.P.M.P. No.32581 of 2004, dated 30-12-2004, wherein it was noted that it is not in dispute that the respondents have sanctioned power supply to the petitioners and that the petitioners have paid the service charges as well as developmental charges. Consequently, it was directed that there shall be an interim direction to the respondents to release power supply to the petitioners within three weeks from that date and in case, the petitioners have not complied with any formalities, or any amounts are due, the same shall be intimated to the petitioners, and on compliance of the same by the petitioners, the power supply shall be released. The request of the respondents to vacate the interim orders was dismissed in W.V.M.P. No.226 of 2005 on

13-04-2005. Consequently, the writ petitioners were granted the relief in the main petition itself through the interim orders and nothing survives to be adjudicated in the writ petition.

Therefore, the writ petition is dismissed as infructuous. No costs.
